E-learning for School Governors

Looking for a more cost effective way to deliver Governor training?

“Online Governor training is perfect for busy Governors. You can go to your computer at any time of the night or day when you have a space in a busy schedule and work through focused training modules which do not talk down to you.”

Ms Pat Hill, School Governor, Huntington School

Why choose Modern Governor?

Modern Governor is an online learning resource that can:

- Utilise Governor training budgets more effectively
- Create a flexible learning environment for busy Governors
- Allow Governors to prove training completion for Ofsted CPD evidence files
- Open up a wealth of knowledge via our online community

Modern Governor cost City of York an average of £5 per Governor which compares to £44 for face-to-face training

40% of COGS are using Modern Governor as part of their SLA to all types of schools

Doing more with less is a practical reality for schools, along with demonstrating return on investment
